LACK OF INDEPENDENCE

Canopy Financial Group Pty Ltd (CAR No. 413 742) and your adviser, Mari Nguyen (Authorised Representative No. 317240) is not able to describe itself as being independent, impartial, or unbiased because:

- We receive commissions from insurance product providers (where the law permits) for the advice we provide;
- Our Licensee, AIIG, is a wholly owned subsidiary of Amalgamated Australian Investment Group Ltd. Amalgamated Australian Investment Group is an issuer of financial products, some of which are included in our Approved Product List (APL).

However, please note that this does not affect our ability to act in your best interests when providing advice to you.

OTHER DOCUMENTS YOU MAY RECEIVE

ADVICE DOCUMENTS

You will be provided with a Statement of Advice (SOA) on the first occasion that we provide you with advice which takes into account your personal circumstances, goals, needs and objectives.

Following our initial advice, we will document subsequent advice in a SOA or, in some circumstances, a Record of Advice (ROA). If the ROA is not provided to you at the time the advice is provided you may request a copy and it will be provided to you free of charge.

The SOA or ROA will contain:

- the details of the areas you are seeking advice on;
- the basis on which the advice is given;
- the advice itself; and
- information about fees, commissions and associations which may have influenced the provision of the advice.

We will retain copies of each SOA and ROA for a period of seven years from the date of the advice. Please contact your financial adviser should you require a copy.

PRODUCT DISCLOSURE STATEMENT (PDS)

In the event we make a recommendation to acquire a financial product (other than securities), we will provide you with a PDS or Investor Directed Portfolio Service (IDPS) Guide containing information on that particular product. The document will contain information about the relevant key features, fees, benefits and risks to help you make an informed decision about whether or not to acquire the financial product.

WORKING WITH A FINANCIAL ADVISER

As your adviser, we are required by law to act in your best interests.

Your adviser will ask you to provide accurate information about yourself and will need to be informed of any changes in your situation to ensure that the advice provided is and remains suitable to your personal circumstances.

You have the right not to divulge information about yourself. However, the appropriateness of the advice you receive may be impacted if we do not fully understand your situation.

In compliance with the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (AML/CTF Act), we will need to verify your identity before providing any financial product advice and services to you. Your adviser will let you know which identification documents can be presented for identification purposes.

FINANCIAL SERVICES WE CAN PROVIDE

We are able to provide advice on, and deal in the following financial products as authorised representatives of AIIG:

- Deposit products;
- Debentures, stocks and bonds issued by a government;

We will only provide services to you with your prior, informed consent. If you do not understand any of the information in this FSG or have any other questions relating to the terms on which we will be acting, please contact us.

When advising you, other matters may arise that we are not authorised to assist with. We are only authorised to assist with a financial service or financial product set out above.

REMUNERATION AND BENEFITS

REMUNERATION

The fees for services provided by us depend on the nature of those services. Full details on the remuneration and other benefits we receive are detailed in the Adviser Profile attached to this FSG.

Any fees will be agreed with you before the service is provided. Fees we may charge are:

- Initial meeting fee
- Initial Advice fee
- Implementation fee
- Ongoing advice service fee
- Ad-hoc advice fee
- Consult fee (time based)

The fees charged for our advice and services may be a fixed dollar amount, or a percentage(asset)-based fee. For more detail, see the Remuneration Schedule attached to your Adviser's profile.

We may also receive commissions paid by product providers. Your adviser may choose to rebate commissions received to you, or to offset them against other fees payable.

All fees or commissions are initially paid to AIIG who then remit 100% to us after deducting the licensee fees.

OTHER BENEFITS

From time to time, we may accept alternative forms of remuneration from product providers or other parties, such as hospitality or support connected with our professional development (e.g., training or sponsorship to attend conferences). We maintain a register detailing any benefit we receive which is valued at between \$100 and \$300, and other benefits that relate to information technology, software or support provided by a product issuer, or that relate to the educational and training purposes. A copy of the register is available on request.

With your permission you may be referred to an external specialist to receive further advice. We will not receive a referral fee or commission for introducing you to any specialist.

Neither AIIG nor its authorised representatives/employees endorse products or services provided by external providers.

RELATIONSHIPS AND ASSOCIATIONS

AIIG, is a wholly owned subsidiary of Amalgamated Australian Investment Group Ltd, a diversified group of financial services companies which includes:

We are generally only permitted to recommend products on the Approved Products List (APL), which the Licensee approves. The Licensee is a fully owned subsidiary of Amalgamated Australian Investment Group Ltd, which issues some of the products on the APL. We may consider products which are not listed on our APL if it is required to meet our best interest duty obligations having regard to your objectives, financial situation and needs.

The Licensee has negotiated agreements with IOOF Investment Management Limited (IIML) and HUB24 Custodial Services Ltd (HUB24) so that the Licensee and its advisers can offer clients discounted rates, premiums and/or other product fees for various financial products provided by the relevant product issuer. We do not receive any additional benefit (whether monetary or non-monetary) from the product issuers by virtue of such arrangements, but the discount may influence the financial product that we recommend to you. If we recommend a product that is discounted by virtue of such an arrangement, the discount and any conditions, for example that you stay with the Licensee to retain the discounted rate, will be disclosed in the SOA.

COMPENSATION ARRANGEMENTS

We have arrangements in place to maintain adequate professional indemnity insurance as required by s912B of the Corporation's Act. This insurance provides cover for claims made against us and our representatives, including claims in relation to the conduct of representatives who no longer work for us but who did so at the time of the relevant conduct.
